The Beginning

- Mycenaean civilization
- thirteenth century BC
- Linear B script
- Linear B is a syllabary, not an alphabet

Linear B Script

Minoan Civilization of Crete

- used a similar syllabary known as Linear A
- Linear A has not been deciphered
- Linear A and Linear B look similar enough
- Tablets written using the Linear B script begin to appear only after the decline of the Minoan culture following the eruption of Thera (a volcanic island= Santorini).
